Dear Pastor Mead and Congregation of Pilgrim Church:

On behalf of our Board of Directors, Committee Members, Faculty and Staff, I would like to thank you for your faithful support of Faith Christian Academy.

Over the years your Church has been a pillar of spiritual and monetary strength. Your funding has helped us to carry out our mission to provide the highest quality academic and Biblical worldview training in an environment that encourages spiritual, academic, social and physical growth. Your support allows us to continue to grow spiritually and To enhance our academic programs, so that we can continue to provide the level of Biblical education that our families have come to expect.

During this holiday season we want to thank you for your faithful dedication and continued monetary support of Faith Christian Academy.

In Christ,
Jen Stanley
Director of Development

Our church collected 44 shoeboxes for Operation Christmas Child. We delivered them to the collection center and it was interesting to see all the boxes that they had already received. Thank you to everyone who supported this ministry and to Marilyn and Cathy for organizing and collecting the boxes.
